COSEPURI APP MOBILE

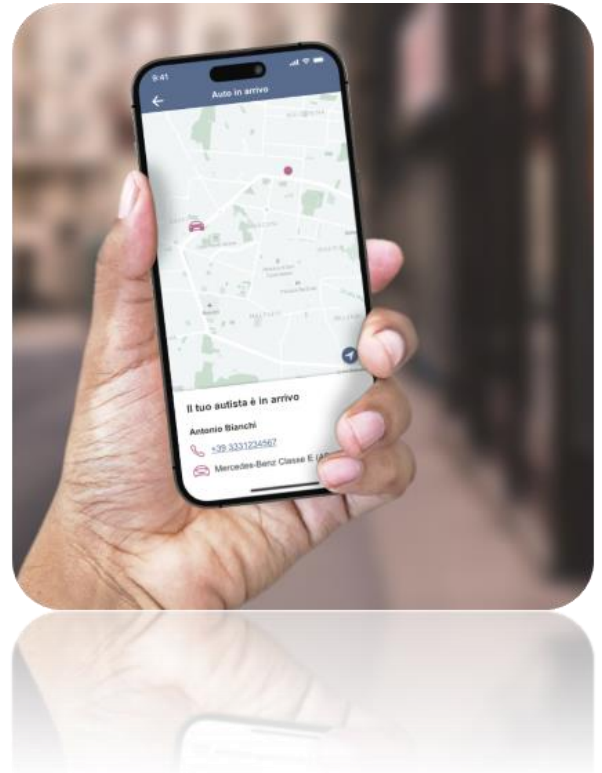

“COSEPURI” APP MOBILE

The COSEPURI app, downloadable for free on the [APP STORE](#) and [GOOGLE PLAY](#), allows you to book chauffeur services at the time you desire.

For customers looking for immediacy and ease of purchase, intuitive prices that include extras, such as holidays or night-time surcharges, a few clicks are enough to request a car in the desired place.

Using a modern satellite geolocation system for vehicles, the COSEPURI Operations Center identifies the vehicle closest to the pick-up location and returns a service confirmation by e-mail with the following information:

- Date and time of the service
- Name and mobile phone of the driver
- Payment on invoice (for customers with a Business Agreement)
- Cost of the service (for customers with an Executive Agreement)

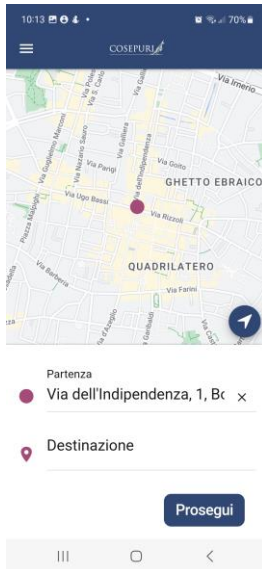

The application works in the city of Bologna and allows BOOKINGS as well as IMMEDIATE SERVICES requests.

Registration and login

- Customers with a Business Agreement are pre-registered both on the APP and on the website www.cosepuri.it and, to log in, use the e-mail address (provided at the time of signing the contract) both as username and password on both platforms, changing the password at the next access.
- Customers with an Executive Agreement (companies, professionals, or individuals) register autonomously their profile on the APP, resulting automatically registered also on the website www.cosepuri.it (or vice versa).

Do you need a car immediately? Just 3 clicks.

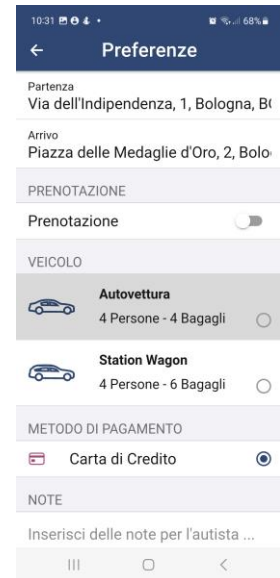

- Customers with a **Business** Agreement can book an immediate car by indicating the pick-up and destination address.
- Customers with an **Executive** Agreement book a car with driver indicating the pick-up and destination address in order to generate the amount and purchase the service, simultaneously accepting the terms set out in the General Conditions of Purchase.

Fill in the Departure and Destination fields

The service requested by clients with a Business Agreement is included in the monthly invoice.

The service requested by clients with an Executive Agreement is purchased by credit card.

Do you want to book a car on the desired date and time? Just 5 clicks!

“Favourite” addresses★

If you wish to add an address to your "Favourite" list, create a reservation with the desired address and press the symbol of a star:

Enter the address

Press the star symbol corresponding to the chosen address

At the next booking, the address can be selected from your "Favourites" list

An increasingly efficient application

The COSEPURI app allows you to:

- Choose the **type** of car (sedan car or station wagon);
- Select **points of interest** with pre-compiled addresses (City centre, Station, Airport, Fair);
- Fill in a **notes field** to provide us with any useful information (eg: flight number, passenger's name and telephone number if different from the applicant, flight number, cost centre, etc.);
- Watch the car arriving;
- Cancel your reservations in case of second thoughts;
- Modify your registration data.

FREQUENTLY ASKED QUESTIONS

Can the application be used by all customers?

Yes, it can.

- Clients with a Business Agreement are pre-registered and, to make the first access, use - both as username and password - the e-mail address communicated to Cosepuri upon signing the contract, then change the password to their own discretion.
Clients with a Business Agreements receive a monthly invoice together with a summary report of all the services (requested by telephone, e-mail, on the website, or via the APP). The price of each service is calculated on the basis of the rate set by the existing agreement and any agreed routes.
- Clients with an Executive Agreement (companies, professionals, or individuals), once independently registered, will be able to purchase the services by credit card. The invoice for the transfers purchased will be sent by e-mail after the service has been performed.

If in a company with a Business Agreement there are several users of the services, can everyone download the APP on their own device with different login credentials?

Yes, the APP allows the registration of users affiliated to a company with a Business Agreement. Each user will have to:

- Download the APP or, alternatively, access the website www.cosepuri.it (the profile registration on a tool will also be automatically implemented on the other);
- Select as Account Type "Private" or "Business Customer Affiliate";
- Enter his personal data, company e-mail address, the company's VAT number and the customer code assigned by Cosepuri;
- The system recognizes that a user belongs to a company with a Business Agreement thanks to the VAT number and the customer code. All the services requested by each user will be included in the summary report attached to the invoice.

If one of these users intends to use the app PERSONALLY, he will not be able to use this profile, but need to register again (using the same mobile phone number but a different e-mail address) and purchase the services with credit card.

Is it possible to consult an online summary of all the services that have been used?

Yes, but this possibility is reserved only for customers with a Business Agreement.

By accessing the website www.cosepuri.it with the same credentials as the APP, the customer with a Business Agreement can select the SERVICE REPORT area in the welcome menu where the summary of all the services that he/she has used (booked through the website, the APP, by e-mail or by phone) can be consulted.

It is possible to carry out searches limited to the current year and with a maximum range of 30 days at a time. The main profile of the company also summarizes the services that all affiliates have used. Otherwise, this overall summary cannot be consulted by the individual affiliate.

In which cities is it possible to book services through the APP?

How much notice?

- The APP allows to book chauffeur services only in the city of Bologna;
- Immediate requests and reservations can be made with the notice shown below based on the passenger's pick-up time (the kilometric distances shown below are conventionally calculated from the center of Bologna to the pick-up point):

Immediate requests	
Distance in km	Notice
11	5 minutes
15	10 minutes
20	1 hour
25	2 hours
30	4 hours

Reservations	
Distance in km	Notice
11	30 minutes
15	1 hour
20	1 hour and 30 minutes
25	2 hours
30	4 hours

When will a service booked/purchased via the APP be charged?

• Customers with Business agreement:

The booked service is included in the monthly summary invoice. If it is canceled within the notice periods, it will not be charged.

• Customers with Executive agreement:

The amount of the purchased service is charged to the credit card only after it has been assigned to the driver. If it is canceled within the notice periods, it will not be charged.

Is it possible to modify or cancel a reservation made through the APP?

- You cannot change a reservation. You need to delete it and reserve a new one.

Cancellation methods and terms for Clients with a Business or an Executive Agreement:

- The request for an **IMMEDIATE** service cannot be canceled either before or after it has been assigned to the vehicle and its amount will be charged.
- **RESERVATIONS** requested via the APP could be assigned to the drivers, in order to guarantee their completion, at least 8 hours before the service start time.
- The cancellation of a **RESERVATION** requested via the APP which has not yet been assigned to the driver can be carried out, without any charge, in the appropriate section of your profile by respecting the following notice periods with respect to the service start time (the distances in kilometers shown below are conventionally calculated by the center of Bologna to the starting address of the service):

Distance in km	Notice
Up to 11	1 hour
11,1 -15	2 hours
15,1-20	3 hours
20,1-25	4 hours
25,1-30	5 hours

- The cancellation of a **RESERVATION** can no longer be carried out after the assignment of the service to the driver or below the notice periods indicated above and its amount will be charged.
- Failure to provide the service requested via the APP, resulting from the unavailability of vehicles, will not entail any charge.

Does the APP allow you to book all the services provided by Cosepuri?

The APP only allows you to book transfer services by sedan or station wagon up to 4 passengers. It also allows you to book only one car at a time.

- The following services can be booked through the website www.cosepuri.it:
 - Hourly services at clients' disposal (only for clients with a Business Agreement and for a maximum of 3 hours)
 - Transfers with multiple stops
 - Transfers or services at clients' disposal for several cars at the same time, provided they are of the same type, sedan or station wagon (option limited to customers with a Business Agreement only)
- You cannot book via APP nor through the website services to be carried out through:
 - a. Luxury cars (Mercedes Classe S, Maserati Ghibli);
 - b. MPV up to 7 passengers;
 - c. Minibus or bus from 16 to 53 seats;
 - d. Delivery services.

If you wish to receive a quote by e-mail for these types of vehicle, you can fill in specific quote requests in the "Quotation and bookings" area of the website www.cosepuri.it.

Alternatively, the request for an offer can be made by telephone or by e-mail to the addresses of each division indicated on the website.

- Services subject to a discount reserved for private customers (Coop members, Card Cultura season ticket holders, etc.) can only be used by telephone booking at no. 051 519090 or by e-mail to booking@cosepuri.it and must be paid on board the car.

If you sign in on the APP are you allowed to access to the website www.cosepuri.it ?

- Yes, you are. Customers with a Business Agreement are pre-registered both on the APP and on the website.
- Customers with an Executive agreement (companies, professionals or individuals) who independently sign in on the APP will also be automatically registered on the website, which they can access using the same credentials.
