

Barrier-free travel with the new Cosepuri GT coaches

From today, the Cosepuri fleet is enhanced with modern 53-seat Gran Turismo coaches **equipped with a hydraulic lift**, designed to ensure accessibility, comfort and safety for every passenger.

Hydraulic lift: access for everyone

Safe and comfortable boarding

The new Cosepuri coaches are equipped with state-of-the-art **external hydraulic lifts**, allowing passengers using wheelchairs to board in complete safety.

- **Maximum independence:** the lift allows passengers to overcome the entrance steps without any physical effort.
- **Professional drivers:** our qualified drivers receive specific training to operate the hydraulic lift and provide the utmost care and assistance when passengers board and disembark.
- **Maximum safety:** automatic locking systems and rigorous checks ensure a worry-free journey.

Advanced interior flexibility: personalised comfort

Wheelchair spaces

Flexible spaces designed to safely accommodate **up to 2 passengers using non-folding wheelchairs**.

*Wheelchairs are secured with **modern, floor-mounted anchoring systems** approved in accordance with current safety regulations.*

Travel without limits

We offer the same mobility opportunities and comfort for both **business** travel (corporate trips, congresses, meetings, events) and **leisure** travel (school trips, tourism).

***Every passenger enjoys** the same high level of service and comfort.*

GT configuration

Standard capacity of 53 passengers, configurable to accommodate 1 or 2 wheelchairs (**with 4 or 8 seats removed**), without compromising overall passenger space.

***Spacious interiors**, dual-zone climate control, reclining seats and large panoramic windows for optimal visibility.*

Safety, European standards and over 50 years of experience

Peace of mind when travelling safely

- Our **more than 50 years of experience** enable us to understand your needs, combining social sensitivity with operational precision.
- **Regular annual inspections:** all our vehicles undergo rigorous periodic inspections to ensure efficiency and absolute road safety.
- Compliance with **driving and rest times:** we operate in strict compliance with the European Social Regulation, ensuring high safety standards.
- Certified inclusivity: the **anchoring systems** and lifts fully comply with legal accessibility requirements.

On the road to any destination, in Italy and abroad

We offer tailor-made services for short- and long-distance tours, providing modern coaches driven by qualified drivers with specific training in passenger assistance.
